Prior Council Action: May 25, 2006 prior classification ordinance amendment.

This action approves an ordinance to establish the classifications and number of positions in the classified service of the Police Department and repeals Ordinance No 20060525-024. The classification ordinance is being amended to reflect the addition of one (1) Assistant Chief Position, (1) Detective and 5 Police officer positions. In 2003, APD had 6 Assistant Chief positions with one assigned to City Hall. Since 2003 APD operations required that two Assistant Chief positions be reclassified to Commander to oversee a new area command and to provide organizational support. As the sworn strength has grown, an Assistant Chief position will be restored to provide management and oversight for APD patrol and investigative units.

The five police officer positions have been added to address population growth in the city and to strengthen patrol response. The detective position will conduct citywide investigation of graffiti cases. This action increases the number of sworn positions in each rank, but does not increase the overall authorized strength of the Department.

The following civil service classifications of the Police Department and the number of positions in each classification are established as follows:

Assistant Chief 5 Commander 18 Police Lieutenant 58 Police Sergeant 149 Police Detective 288 Police Corporal 72 Police Officer 852
